# FAQ's

## **HOW DO I MAKE A BOOKING?**

**ANS** - Bookings are officially made when a deposit is received. Payment can either be made via Bank (Stanbic Bank) or sent via MTN Mobile Money transfer. You can also pay cash at our office in Dzorwulu.

## **I DON'T SEE GHANA IN THE LIST OF PACKAGES?**

**ANS** - These are just package names. All the packages in here apply to Events in Ghana only.

## **WHO WILL SHOOT MY EVENT?**

**ANS** - Sorce is made up of a group of photographers and videographers. Any of our lead photographers or videographers may be assigned to shoot your event with an assistant, depending on the package you choose.

## **WHEN WILL THE PRE - WEDDING SHOOT TAKE PLACE AND WHO COMES UP WITH A CONCEPT?**

**ANS** - Ideally, it should take place 6 – 8 weeks before the wedding. This gives us enough time to edit the pictures. If for some reason this is not possible, kindly contact the office. Either Sorce Photography comes up with a concept or the client, if they have one.

## **WHAT TIME WILL YOU ARRIVE/LEAVE MY EVENT?**

**ANS** - We will arrive at the time stated by the client. Kindly note that the Time Count starts immediately the Photography or Videography team arrive at the given location. We will alert you when the time allocated in the package you chose elapses. In a case where the Client requires extra time, an invoice will be issued after the event.

## **WILL YOU EDIT ALL MY PICTURES?**

**ANS** - Yes, all pictures will be edited, thus, standard edits. However, some exclusive photos will be professionally edited based on the package chosen and content from the wedding. The standard edit includes basic adjustments such as Cropping, Color Enhancements, Exposure Balancing, Teeth and Eye Whitening. The High Professional Edit includes Body Re - size, Skin Smoothing, Manipulation, Blemish removal etc

## **WILL OUR PICTURES BE POSTED ONLINE?**

**ANS** - Yes, and No because posting online is dependent on the Creative Team.

## **AFTER MY EVENT, WHEN WILL I RECEIVE MY DELIVERABLES?**

**ANS** - Your soft copies will be ready for pick up on a pen drive in 20 – 30 working days after your event. The photobook is printed by a Third Party company therefore it will be ready in approximately 8 to 12 weeks after the client has submitted their selection for printing. The frames can be ready for pick up a week after submission.

## **WHAT ARE SOME OF THE THINGS YOU PRIORITIZE TO MAKE OUR PICTURES BEAUTIFUL?**

**ANS** - We cherish Ample Time with the couple to create beautiful memories, good make-up and hair for the bride and a good location.
